

# Congregation Beth El Hanukkah Book Drive 2010- 5771

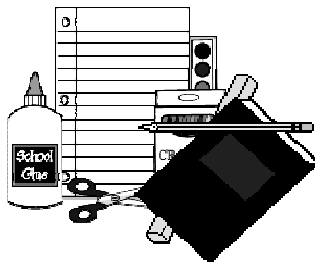

**Give The Gift of Literacy!!!**

Please set aside books for less fortunate children during Hanukkah, and remember to bring them to the synagogue. Boxes are now in the Congregation Beth El Library, waiting to be filled. Books need not be new, but they should be in good condition.

**Please bring in your books by Monday, January 18, 2011.**

The donated books will be used in two programs developed in the Framingham elementary schools:

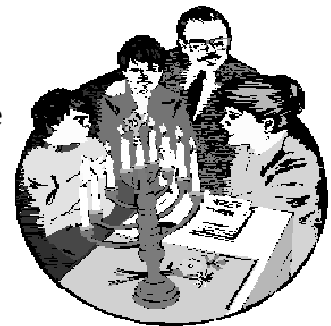

The "Book in a Bag" program sends a book and a related activity home each week with children in grades K-4.

The "Literacy Kit" program provides literacy kits to children who are new to Framingham (and sometimes to the United States). Each kit contains books, children's magazines, dictionary, ruler, puzzle, pencils, construction paper, bookmark, notebook, word games, glue, tape, report covers, labels, crayons, colored markers, erasers, and other items that encourage children to read, write, and learn.

You have no books? Donations of other items to include in the literacy kits would be much appreciated.
