Congregation Beth El is joyful, participatory Judaism.

We sing, learn, laugh and pray together, and celebrate our varied backgrounds, identities and experiences.

We connect with Jewish values and traditions as we strive to create a more just future for ourselves, our children and the world.

Values Upon Which We've Decided to Work Together

Openness to learn from, and with, one another

Holding one another with Kavod and kindness

Courage to grapple with challenges and make tough decisions

Demonstrating understanding of what the other person is saying before reacting

Moving forward with hope and positivity

Keeping Jewish values at the center of all we do
